EDUCATION Tsinghua University

Major in History Aug.2021 to Aug.2025

Minor in Political Science Sept.2022 to Aug.2025

My research interests primarily focus on ancient Chinese history and the history of CCP. Proficient in historical document analysis, I specialize in historical document analysis and have conducted a systematic review of research on ancient China's frontier Ethnic Groups. [\[PDF\]](#)

GPA: 3.94(Five academic terms, from Aug.2021 to Feb.2024)

WORKING PAPERS

话语动员何以可能? ——基于 1949-2003 年《人民日报》数字缩略语的研究
[PDF](#), [Replication Data](#)

Under the supervision of Associate Professor Kaiping Zhang, I undertook key tasks such as data collection, theoretical framework construction, and paper writing, completing the research project within one year. The paper was presented at an academic conference and is currently undergoing peer review.
